All she needs to achieve a tremendous orgasm is a thick dick crammed into her ass to the hilt. The firmer the thrust, the better. She loves it hard and deep.

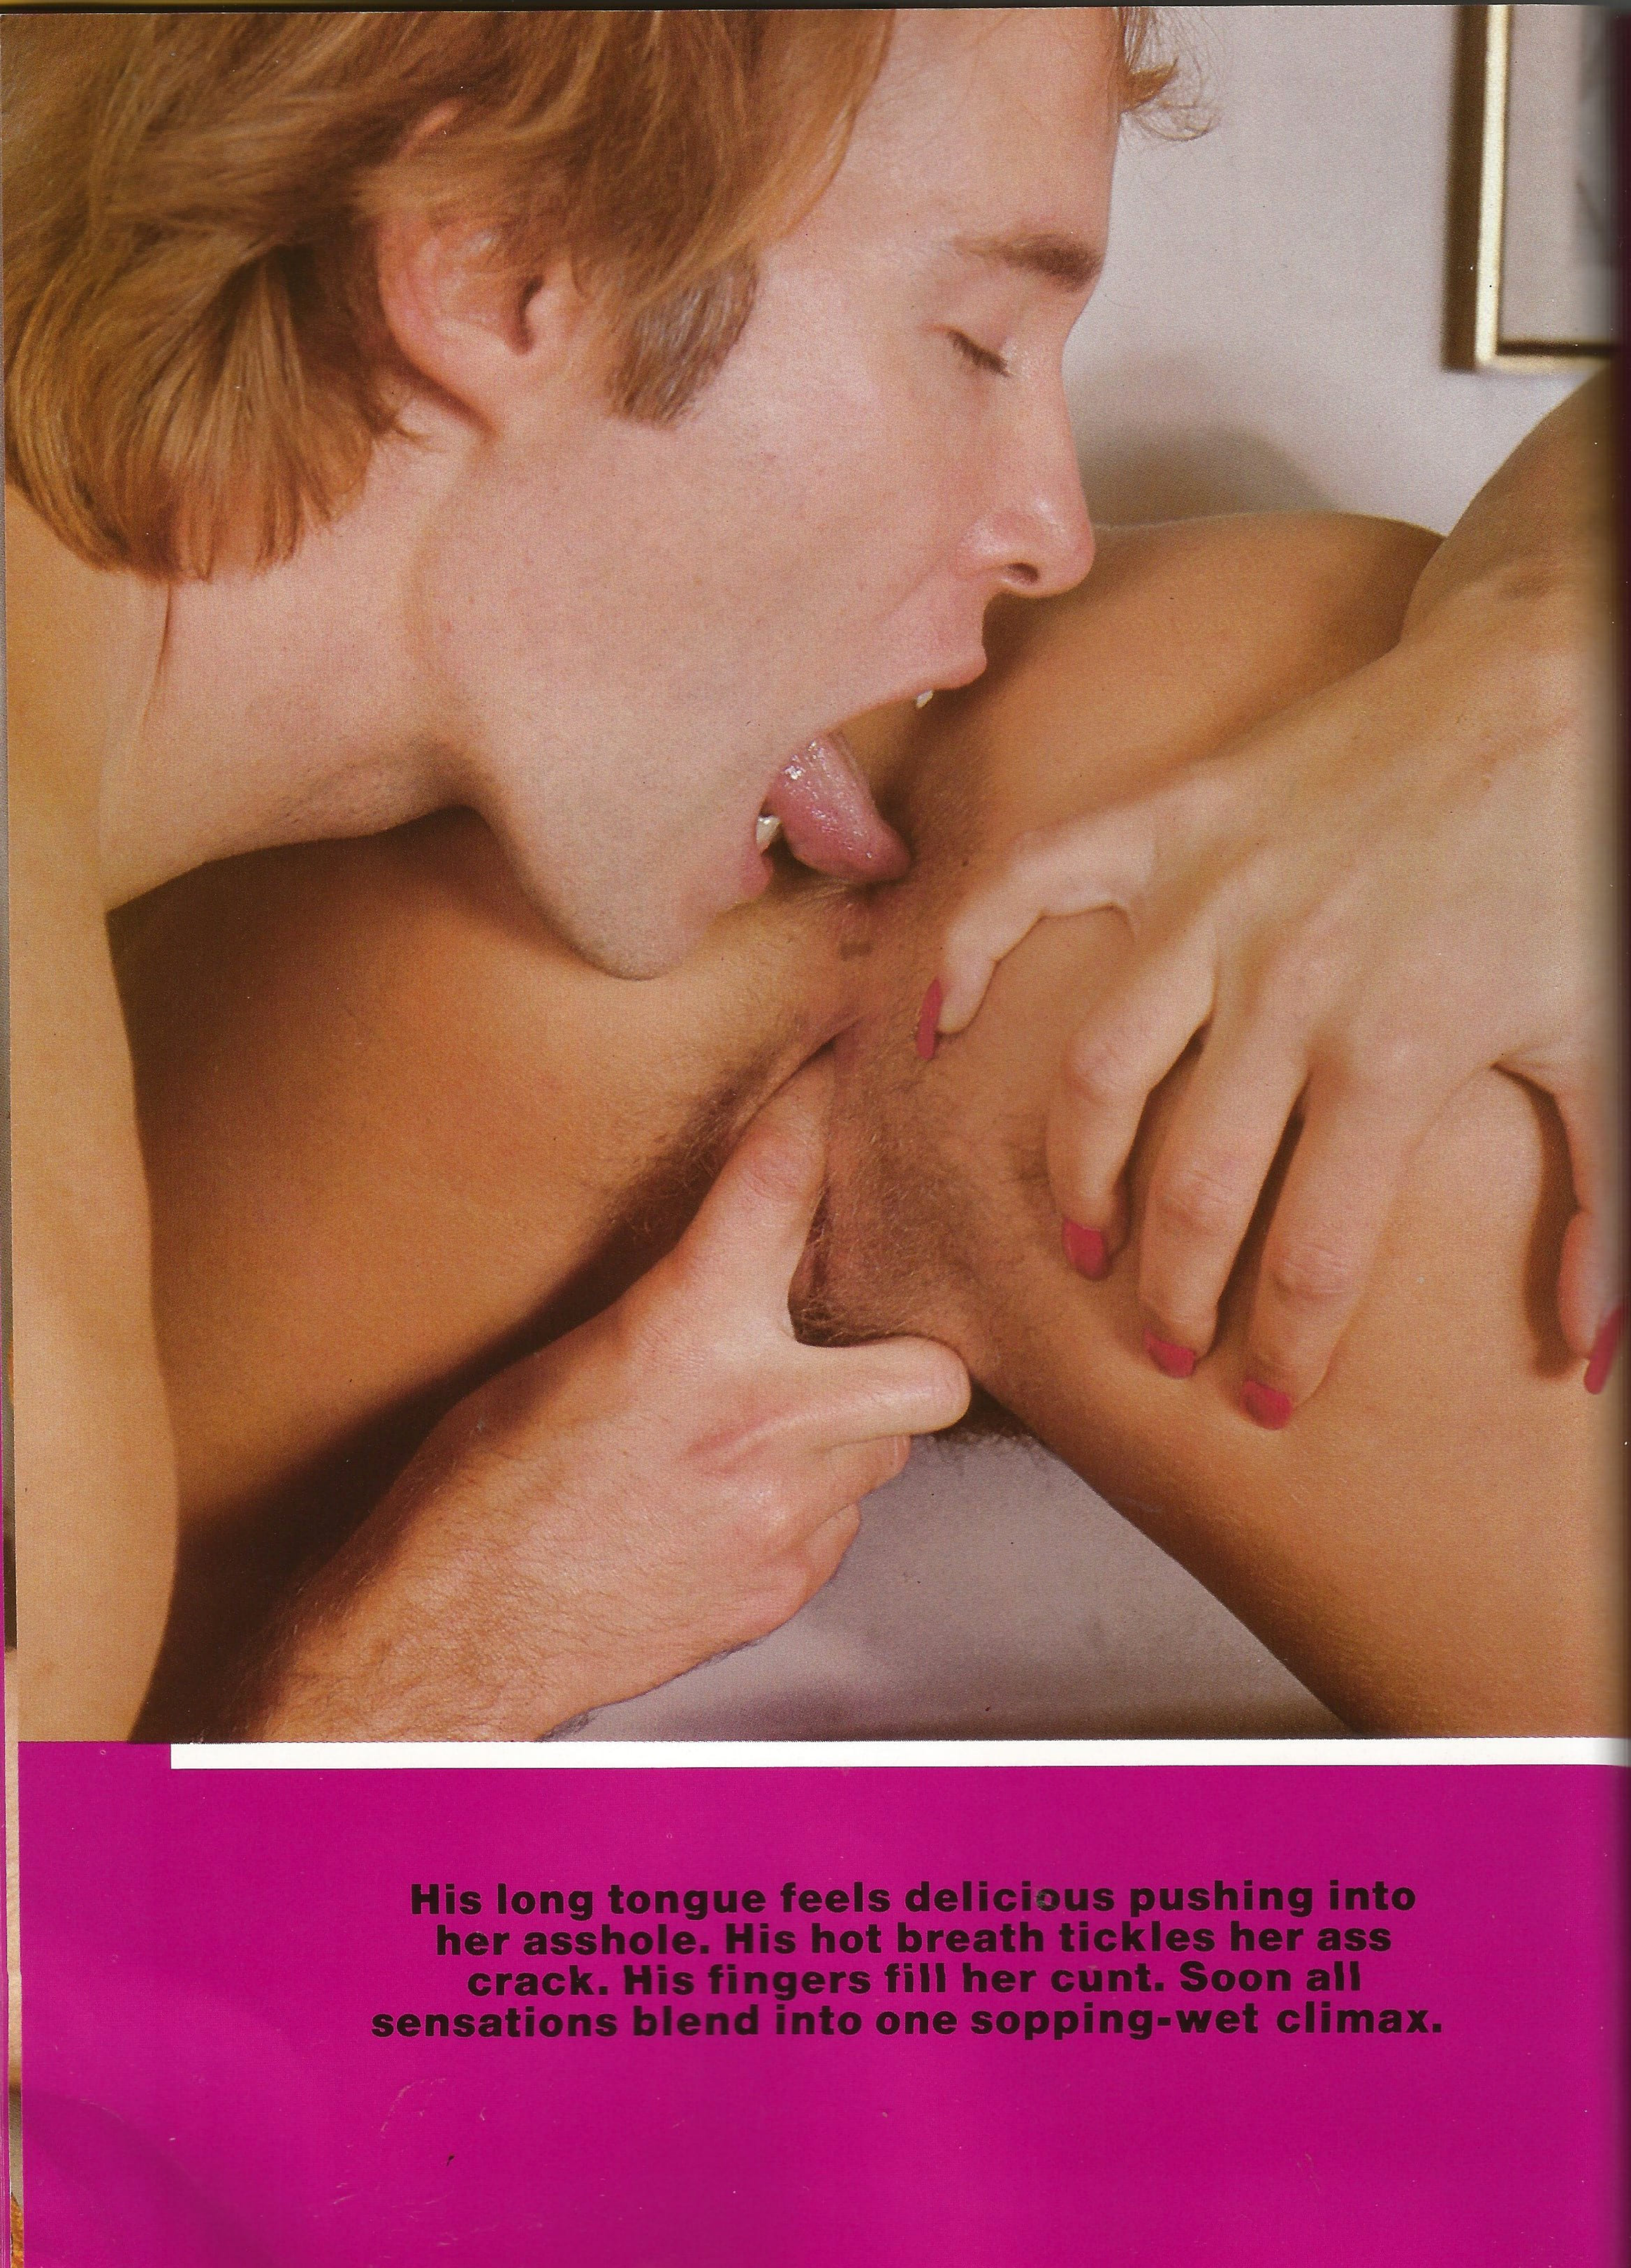
Hot chicks who love to suck and fuck are seldom hard to find. But women who love sodomy are few and far between. He's lucky enough to have found a real fox who adores getting dicked in the ass.

Every hardcore ass man dreams of meeting a woman who will let him stuff his cock up her asshole. A clenching, churning, female butthole haunts his fantasies. He longs to fuck that tight behind and line its crack with jizz.

She wriggles, grinds and whimpers as his big dong fills her rump. Her clamping cornhole swallows up his huge shaft inch by inch. She thrills to the invasion of her tightest private part.

Nothing can stop her from cumming when shes got a large prick in her ass. She fingers her clit, bites down hard with her butthole and creams til her pussy is drained.

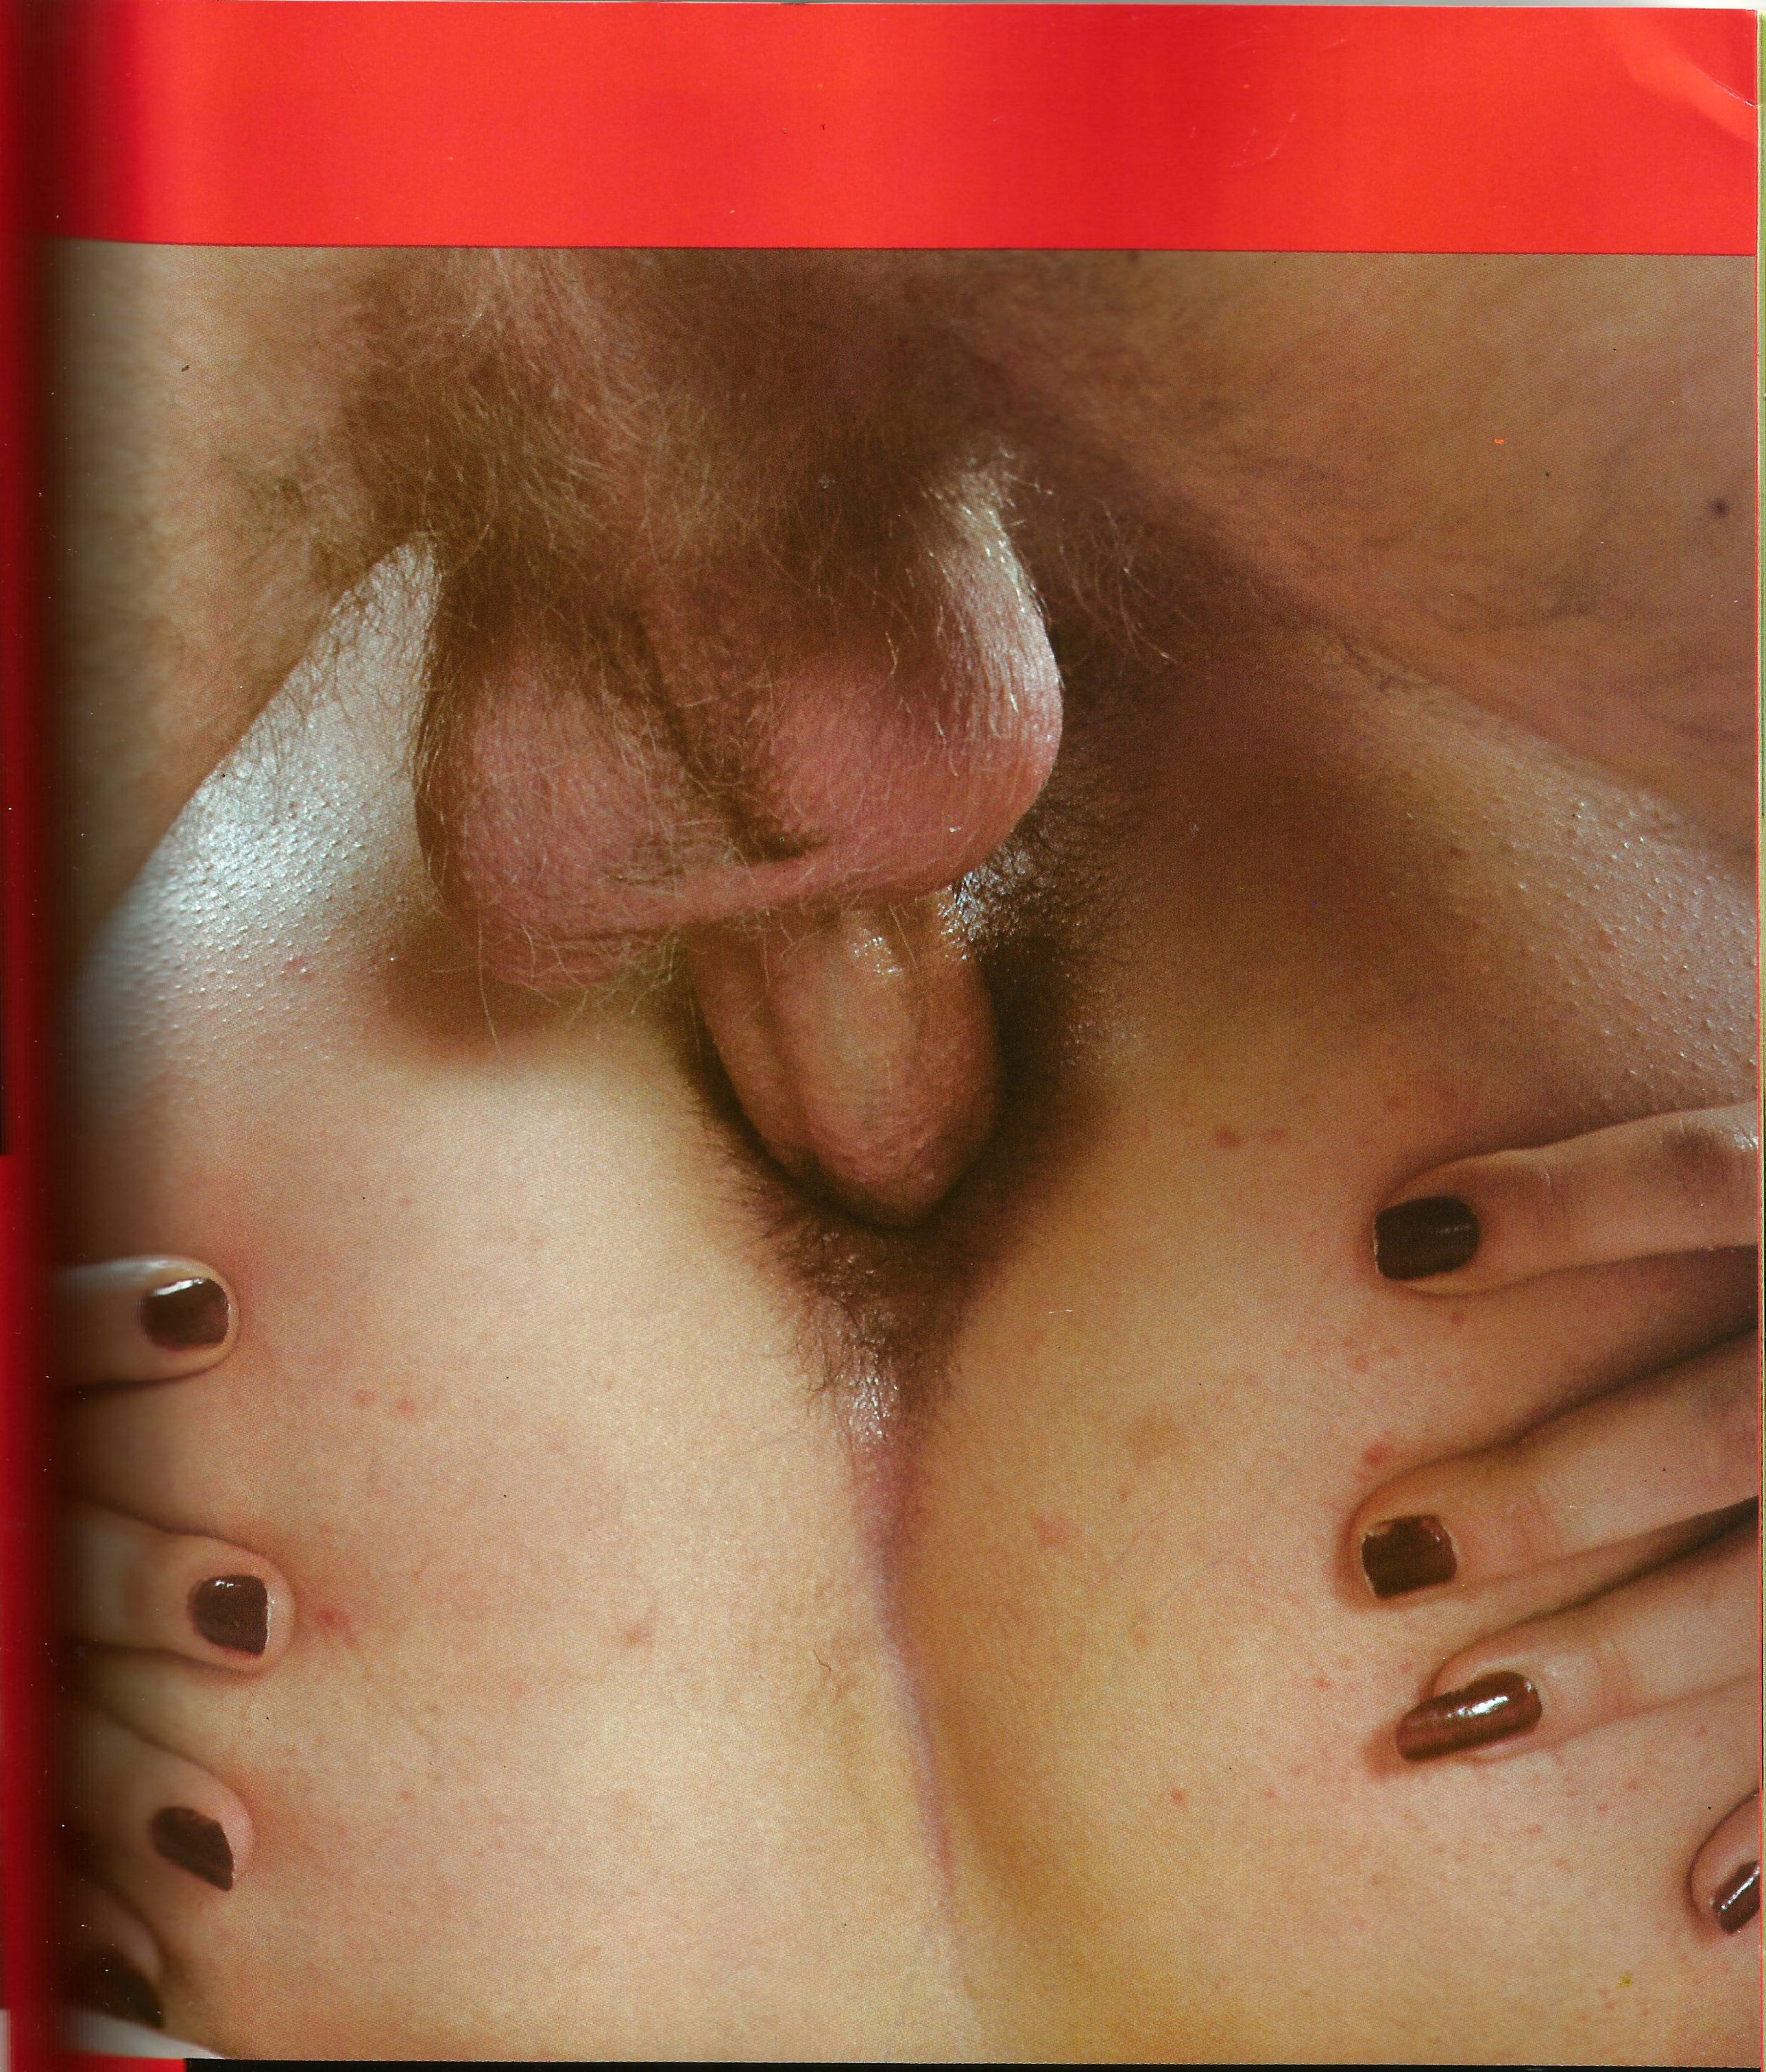
“Bend me over,” she begs him “and ram your dick in. Give me every fucking inch. Punish my ass with your big, hard dick. Just like that, yes! Your meat feels so good!”



His long tongue feels delicious pushing into her asshole. His hot breath tickles her ass crack. His fingers fill her cunt. Soon all sensations blend into one sopping-wet climax.

She parts her cum-drenched pussy lips as his prick spreads her ass. Her swollen, pulsing clit is almost ready to explode.

Both her pussy and her asshole crave his big, potent, black cock. She's a horny, little anal slut and he loves catering to her needs.



She finds it intensely exciting to plant his powerful cock in her butt. "My ass is impaled on his hard meat," she thinks. The thought makes her spasm from anus to clit.

"Your cock fits my asshole perfectly," she tells her thickly hung stud. "Let me ease down on it slowly. I don't want it to hurt. I want to take pleasure in getting my ass fucked."

This three-way fuck/suck scene combines the softness of lesbian love with the power of anal sex. A tongue on the clit feels fantastic, when blended with a good, hard assfuck.

For her, nothing matches the fabulous feel of a stiff prick in her ass. Nothing even comes close. She must have her buttocks pulled open each day and stuffed to the brim with hard, throbbing cock.

This is as close as an anal girl ever gets to paradise: One dick in her pussy and another up her ass. Having both holes cram-packed simultaneously is her ultimate sexual rush.
